

Introducing

VURV

THE FUTURE OF WORKSPACES

Flexi-furniture for your modern workspace

Godrej Interio is proud to present a new flexible desk based system, **VURV**, especially made to adorn your workspace.

VURV is synonymous with zeal, vigour and dynamism. It caters to your demand for seamless, clutter-free and aesthetically appealing workspaces. Besides, with **VURV**, work becomes a pleasure as it facilitates easy interaction amongst your employees and visitors.

Ergonomically designed, **VURV** provides utmost comfort to your employees thereby increasing their productivity and efficiency. Each component has been designed to be chic, sophisticated and flexible to suit your modern office culture and random working patterns.

VURV is incomparable as it can be easily *Relocated, Rearranged and Reassembled* as per your convenience. Each piece is unique in terms of the energetic linear designs, expandable cum shrink based models and easily accessible storage with built-in locking systems.

VURV is a one-of-its-kind furniture system that's ideal for your employees to work comfortably as a team as well as individuals. Its movable table top partition screens and return unit provide easy accessibility and privacy for varying number of employees.

Ideal furniture for inspiring workspaces

Flexible Workpads

Option of adding divider screens ensure more team members can be accommodated making room for more people within the same space.

Group Station

This workstation is ideal for teams engaged in constant interaction, at the same time provides much needed personal space. Its exuberant graphics on screens gives it a flamboyant look.

Interactive Workstation

Movable return unit ensure that workstation can be converted from a single work unit to a multi-user unit for easy interaction with visitors, giving it the ability to adapt to random working patterns.

Synergize your Workspace

Personal Zone

Minimalist work desks with essentials to form a complete workstation ideal for managers' private cabin.

Conference Areas

Dynamic small discussion tables with wire management facility, having design language similar to the workspace.
